Dear Mr. Robinson,

This letter is in response to the correspondence dated August 4, 2014 transmitted to the Republican Party of Kentucky.

Please be advised that the Executive Committee of the Kentucky Republican State Central Committee met in a special meeting via conference call on Tuesday, August 19, 2014 to discuss the correspondence referenced above.

The Republican Party of Kentucky's Executive Committee acted to resolve the dispute of who is the officially recognized governing authority of the Republican Party in Campbell County, KY. The Republican Party of Kentucky Executive Committee, with abstentions from Troy Sheldon and Jeff Kidwell, voted unanimously to reaffirm its official recognition of the Campbell County Republican Party Executive Committee, having been duly elected at the 2012 Campbell County Republican Party reorganization, which is currently chaired by Mr. Kidwell.

Because the Republican Party of Kentucky Executive Committee recognized the original Campbell County Republican Party Executive Committee as the legitimate governing authority in Campbell County, we respectfully ask that you not hold yourselves out as the "Campbell County Republican Party" or anything similar. Unfortunately, those efforts, however sincere, will potentially create confusion during what we can all agree is a very crucial time for our party. We thank you in advance for your cooperation in this matter.

A copy of this letter has also been transmitted to Fourth District Chairman Troy Sheldon, Campbell County Republican Party Chair Jeff Kidwell and the individuals listed in your correspondence of August 4, 2014.

Thank you for your efforts in Campbell County and I hope you and the individuals who participated in the meeting held on July 29, 2014 will work diligently to help elect Republican candidates this November.

Best regards,

Steve Robertson
Chairman
